OFFICIAL SCHOLARX INTELLIGENCE NETWORK // ANNUAL REPORT

Global Scholarship Intelligence Catalog & Execution Roadmap

A publication-grade compendium of **310 authenticated opportunities** across **59 countries**, evaluated for degree qualifications, financial coverage, testing exemptions, and verified admission pipelines for Cohort 2026/2027.

310	303	59	5	98%
TOTAL VERIFIED OPPORTUNITIES	100% FULLY FUNDED	GLOBAL HOST NATIONS	CONTINENTAL REGIONS	VERIFICATION CONFIDENCE

01 // ADMISSIONS CYCLE STRATEGY & TIMELINE RUNWAY

Academic Cohort 2026/2027 Guidance: Today is October 2026. The Fall 2026 entry cycle has concluded globally. Candidates actively preparing this dossier are targeting the **Fall 2027 academic intake**. Official application portals open sequentially from November 2026 through March 2027. Every opportunity in this publication provides dual verification against ministry portals, embassies, and host university directories.

02 // TRUE OUT-OF-POCKET EXPENSES & CASH RESERVES (PKR)

Even on a "100% Free / Fully Funded" scholarship, applicants require short-term liquid cash to cover: **(a)** Degree attestation (HEC/IBCC: PKR 14,000); **(b)** Visa processing and bio-metrics (VFS/Gerry's: PKR 25,000–35,000); **(c)** Panel physical exam & police clearance (PKR 18,000); and **(d)** Initial arrival settlement liquidity (PKR 60,000–180,000) prior to the first monthly stipend disbursement. Total recommended upfront liquid buffer ranges from **PKR 140,000 to PKR 303,500**.

Experience / Terms	Prior software development, open-source projects, or published research papers i

APPLICATION PROCESS & REQUIRED DOCUMENTS

ROADMAP SEQUENCE:

1. Step 1: Contact prospective supervisors in XJTU Faculty of Electronic and Information Engineering and secure an official Acceptance Letter (October - January).
2. Step 2: Create user credentials on the XJTU International Student Admissions Portal (http://isso.xjtu.edu.cn/).
3. Step 3: Submit online degree application, upload all required documents, and select Chinese Government Scholarship.
4. Step 4: Pay the application fee of RMB 800 online before the deadline (typically February 15).

MANDATORY DOCUMENT DOSSIER:

- ☑ Official Academic Transcripts and Degree Certificates
- ☑ XJTU Professor Acceptance Letter (Official Form)
- ☑ Study and Research Plan (Minimum 1,000 words)
- ☑ Two Recommendation Letters from Full or Associate Professors
- ☑ Foreigner Physical Examination Form
- ☑ Non-Criminal Record Certificate (Police Clearance)
- ☑ English Proficiency Certificate

Strategic Merit: HIGH • Extremely prominent bilateral allocation under Belt and Road / CPEC academic corridors; Pakistani graduate scholars secure ~30 to 50 fully funded awards annually. Provides Fully Funded funding in China with high post-study career trajectory.

Due Diligence / Safeguards: XJTU application fee is RMB 800 paid directly on the portal; never transfer funds to personal bank accounts. • ['XJTU application fee: RMB 800 (~PKR 32,000).', 'Foreigner physical examination in P

APPLICATION PROCESS & REQUIRED DOCUMENTS

ROADMAP SEQUENCE:

1. Step 1: Contact prospective academic advisor at Nagoya University via G30 pre-application inquiry (September-November).
2. Step 2: Obtain formal consent from professor to act as academic supervisor.
3. Step 3: Complete MEXT University Recommendation application package on the G30 portal (November-January).
4. Step 4: Graduate School Admissions Committee conducts document screening and video interviews.

MANDATORY DOCUMENT DOSSIER:

- ☑ MEXT Application Form for University Recommendation
- ☑ Field of Study and Research Plan (Kenkyu Keikakusho)
- ☑ Official Academic Transcripts and Graduation Certificates
- ☑ Two Recommendation Letters
- ☑ Summary of Thesis or Past Research Achievements
- ☑ Faculty Consent Form / Letter from Nagoya University Professor
- ☑ Certificate of English Language Proficiency

Strategic Merit: HIGH • Open internationally; typically 7 to 12 Pakistani engineering and science researchers selected annually. Provides Fully Funded funding in Japan with high post-study career trajectory.

Due Diligence / Safeguards: No application or examination fee is charged for MEXT scholarship nominees. • ['Application fee: JPY 0 (Waived).', 'HEC document attestation in Pakistan: ~PKR 10,0

APPLICATION PROCESS & REQUIRED DOCUMENTS

ROADMAP SEQUENCE:

1. Step 1 (April - June): Search University of Newcastle supervisor directory; email potential supervisors with CV, academic transcripts, and research proposal.
2. Step 2 (June - July): Conduct video interview with prospective supervisor; secure their agreement to supervise your research project.
3. Step 3 (July - August): Prepare full documentation: refined research proposal (3 pages), 2 academic referee reports, IELTS test report, and attested transcripts.
4. Step 4 (By 30 September): Submit formal online application via UON portal, selecting 'UNIPRS / RTP International Scholarship'.

MANDATORY DOCUMENT DOSSIER:

☑ Valid International Passport Copy
☑ Official Academic Transcripts and Degree Certificates
☑ UON Supervisor Support Confirmation ☑ Research Proposal (2-3 pages)
☑ Academic Referee Reports (Two) ☑ English Language Proficiency Test Scorecard
☑ Curriculum Vitae and Publications Evidence

Strategic Merit: HIGH • Open international competition; Pakistani graduates in computing, software, and renewable energy compete effectively (typically 5 to 10 awardees/yr). Provides Fully Funded funding in Australia with high post-study career trajectory.

Due Diligence / Safeguards: UON charges zero application fees for postgraduate research programs. Never pay fees to private intermediaries. • ['Australian Student Visa (Subclass 500) application fee (AUD 1,600; ~PKR 296,000).',

Verified Official Portals: University of Newcastle Online HDR Admissions System • University of Newcastle Postgraduate Research Scholarships Portal • Australian Government Department of Education Research Training Program (RTP) *(Academic Cycle: 1 June 2027 → Intake: Late February / Early March 2028)*
